Impacting Lives Through Philanthropy CPO thanks staff for unwavering support

December 27, 2023: The Chief Personnel Officer Commander Dr. Daryl Dindial wishes to thank the staff of the **Personnel Department** for supporting and recognising the positive impact they can have by supporting others in need. Introduced by Commander Dindial, as an opportunity to strengthen 'Team CPO' as part of its philanthropic responsibility, the **Margaret Kistow Children's Home** was adopted. The home continues to receive consistent support from the staff of the **Personnel Department (PD)** through back-to-school book drives, Easter events and Christmas food and toy drives. In addition to, supporting minor building repairs which were self-funded.

Commander Dindial notes it is evident that each effort, notwithstanding how small, contributes significantly to the lives of the vulnerable and appeals to other **Ministries/Departments** to explore ways in which they can leverage their strengths to help those in need throughout **Trinidad and Tobago** in similar projects.

The Department is entering its fifth year supporting the **Margaret Kistow Children's Home** and **Commander Dindial** recognises the diligent work and selflessness of the caregivers entrusted to oversee the well-being of our nation's vulnerable.

Commander Dindial congratulates and commends the staff of the **Personnel Department** for their continued commitment over the last four years to the children of the **Margaret Kistow Home**.
